DISC GOLF *Course*

2022
U Disc
World Golf
Ranking #94
of 13,000

---- 815 E. Washington Street ----

The disc golf course at Harry Myers Park has been consistently rated as one of the best courses in Texas thanks to its beautiful location in Harry Myers Park and the challenging course design provided by renowned course designer John Houck. The course features a

variety of layouts and shots. When playing you'll notice well-manicured grounds and a fun mix of elevations that allow players to use all of their power and technique.

In 2019 the Rockwall Parks & Recreation Department undertook a course redesign plan to increase course difficulty for professional players and to improve playability for amateurs and recreational players. The course features a variety of layouts that force players to use a variety of shots to achieve a low score. When playing you'll notice well-manicured grounds and a fun mix of elevations that allow players to use all of their power and technique.

55 and BETTER

Participating in senior programs at The Center is all about relationships. Our seniors look forward to seeing their friends weekly to enjoy one of the many forms of recreation they have chosen to be a part of. These relationships serve as the foundations of many friendships formed and fostered through play.

PICKLEBALL

The fastest-growing sport in the country has taken Rockwall by storm! The City offers dedicated outdoor pickleball courts at The Park at Hickory Ridge and Harry Myers Park. Both locations provide covered courts for sun protection, and restrooms are available at Harry Myers for added convenience. Whether you're new to the sport or a seasoned pro, it's a great way to stay active and social.
