

BACKFLOW TESTERS INFORMATION

Backflow Prevention Assembly Testers (BPAT) must register with the City of Rockwall, accompanied with a certification of the test gauge used, calibrated within the last 12 months. Registration and fees are collected through the Engineering Department located at:

385 South Goliad for In-Person

Or you may go to:

[//www.rockwall.com/buildinginspections/](http://www.rockwall.com/buildinginspections/) - to sign up for the Online Portal.

Annual inspections shall be made of all backflow prevention assemblies and air gaps to determine if they are operable. An individual that has a current BPAT license through the Texas Commission on Environmental Quality (TCEQ) shall perform the tests. Test results shall be recorded on the City of Rockwall Backflow Prevention Assembly Test Form and submitted to the City of Rockwall via Mail, in person or Email.
